INTRODUCTION

Worldsuccesstyle Sdn Bhd, also known as Worldsuccesstyle Enterprise, is a distinguished entity in the realm of electrical services, plumbing, renovation, networking cabling, consultancy, and comprehensive engineering solutions throughout Malaysia and Brunei. Established in October 2015 and registered under the esteemed number 1454566-H, our corporate headquarters are strategically located at Taman Saujana KLIA, Sepang, Selangor. Our commitment to excellence is reflected in our extensive portfolio of services, which encompasses electrical service and wiring, plumbing, gas piping, renovation, laundry machine supply and maintenance, facility maintenance, and building maintenance.

With a resolute focus on delivering quality and expertise, we have earned a reputation as a specialist in setting up and maintaining self-service laundries, offering invaluable guidance to clients embarking on their own self-service laundry ventures.

AUTHORIZED DEALER FOR LEADING BRANDS

As authorized dealers for renowned brands such as Speedqueen, Heubsch, IPSO, Tosei, LG, Fagor, Primus, Octopus, and various others, we take pride in offering our clients access to the latest and most reliable technology and equipment available in the market. This ensures that our clients have the best tools at their disposal to meet their specific needs and objectives.

At Worldsuccesstyle Sdn Bhd, we take pride in our dedication to service excellence, professionalism, and unwavering commitment to our clients. Our mission is to empower businesses and individuals with the tools, solutions, and support needed for success in their respective ventures. To learn more about us and explore the range of services we offer, please visit our website at www.worldsuccesstyle.com.my.

Additionally, we excel in facility maintenance and building maintenance, making us a one-stop destination for all your facility management needs. Our portfolio caters to diverse industries and clients, offering tailored solutions that adhere to the highest standards of quality and professionalism.

Mohd Shahrul Azman bin Otor

Chairman

As the Director of World Successstyle Sdn. Bhd. I extend my warmest greetings to our valued clients and dedicated team members.

Our journey began with a vision to redefine excellence in the fields of electrical, plumbing, renovation, and engineering services. We have nurtured a culture of unwavering commitment to quality and professionalism since our establishment in 2015. Today, we are proud to offer a diverse range of services that cater to your unique needs, ensuring that you receive nothing but the best.

At Worldsuccesstyle, our driving force is our commitment to you, our valued clients. We firmly believe that success is only achieved when our clients' needs and expectations are met and exceeded. This principle guides us in all aspects of our business, from self-service laundry setup to facility maintenance and everything in between. We pledge to provide innovative solutions, exceptional service, and unwavering support to ensure your success.

A Culture of Innovation

In an ever-evolving world, innovation is our compass. We thrive on embracing change and continuously evolving to meet the challenges of the modern era. Our specialist expertise in self-service laundry setup, backed by our affiliation with top industry brands, demonstrates our commitment to delivering innovative solutions. We look forward to helping you stay at the forefront of your industry.

We recognize that our most valuable assets are the individuals who make up our team. It's the collective expertise, dedication, and shared vision of our employees that enable us to maintain our reputation for excellence. We are deeply appreciative of our team's contributions and remain committed to providing them with opportunities for growth and personal development.

As we move forward, we see a future filled with growth, collaboration, and shared success. Our doors are always open to new possibilities, and we look forward to building lasting partnerships with you, our clients. Together, we can achieve remarkable outcomes and continue to set new standards of excellence in the industry. Thank you for choosing Worldsuccesstyle Sdn Bhd. Your success is our success, and we are excited to be a part of your journey.

Our foremost objective is to consistently exceed client expectations by providing exceptional service and high-quality solutions across all our service areas, earning their trust and satisfaction.

Hardmount Washer-Extractor

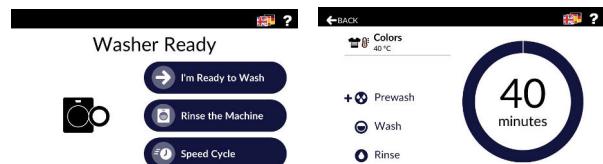

PC20 - PC60

PC
RANGE
**FEATURES**

- Rigid mounted, normal spin, 200G factor
- Stainless Steel drum and tub
- High capacity water inlets
- Large drain valve
- Large door opening for easy loading and unloading
- Industry-leading flexible water level settings
- Patented Fill and Drain leak detection saves water
- Lighter, consumption-optimized frame
- Designed to reduce sound and vibration levels

PLATFORM: XCONTROL FLEX

- Available with XControl FLEX for Vend
- Full color, touch screen display
- Clear step-by-step instructions available in 34 languages
- Machine programming & performance data accessible through cloud. Remotely access to live machine data on mobile device
- VEND:
 - » 5 standard dry programmes (High, Medium, Low, Delicate, No Heat)
 - » 11 easy-to-use cycle modifier
- Count up timer
- Over-the-air updates

Tumble Dryers

**DX
RANGE**

DX 13

13KG
30LB

DX 24

24KG
55LB

PLATFORM: XCONTROL FLEX / XCONTROL FLEX PLUS

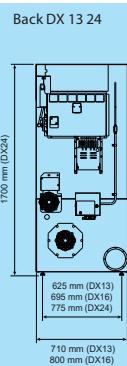

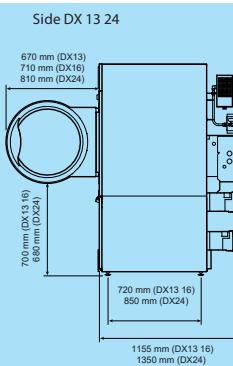

- Available with XControl FLEX touch control for Vend
- 7" (5" on stack tumbler dryers), full color, touch screen display
- Clear step-by-step instructions available for easier operation
- Machine programming & performance data accessible through cloud. Remotely access to live machine data on mobile device
- VEND:
 - » 5 standard dry programmes (High, Medium, Low, Delicate, No Heat)
 - » 11 easy-to-use cycle modifier
- Count up timer
- Over-the-air updates

FEATURES

- Electrical and Gas heating
- Large door opening for easy loading and unloading (\varnothing 68cm)
- Galvanized drum
- Axial airflow
 - » Drum perforations only at the front and back
 - » Maximum airflow, less energy consumption and short drying times
- Reversing drum: prevents linen from tangling
- Stainless steel drum
- Grey painted side panels
- Coin operated version
- SafeTech™ Fire Suppression System as an option
 - » Prevents early laundry fire by constantly monitoring the temperature in the drum
 - » In case of excessive temperature, linen is sprayed with water

Stacked Washer-Extractor/Tumble Dryer

**PSG
RANGE**

PSG30 - PSG50

FEATURES

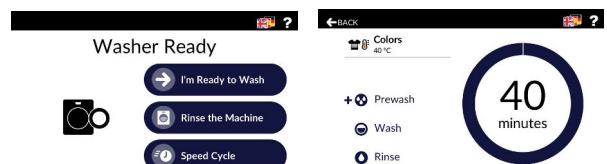

- Ideal for limited space settings
- Increases wash capacity
- Improves throughput
- Minimal front fasteners give quick access to key washer-extractor components to improve serviceability
- Supports a higher volume than typical retail and light commercial products are able to support
- More than double production with higher capacity and faster wash times
- Reliability and durability that drastically outperforms retail or light commercial options

Maximize Time and Space

PRIMUS stacked washer-extractor/tumble dryer is a unique product that truly delivers increased productivity. Featuring the Xtronic Touch Control.

PLATFORM: XCONTROLFLEX

- Available with XControl FLEX
- 7" (5" on stack tumbler dryers), full color, touch screen display
- Clear step-by-step instructions available in 34 languages
- Machine programming & performance data accessible through cloud. Remotely access to live machine data on mobile device
- VEND:
 - » 5 standard dry programmes (High, Medium, Low, Delicate, No Heat)
 - » 11 easy-to-use cycle modifier
- Count up timer
- Over-the-air updates
